

ERDKINDER ASSIGNED WORK  
JANUARY 9, 2024

Happy New Year!

**Work for the day:**

- i. After being introduced to the topic with yesterday's homework, read about the work that is to be done today.
- ii. Watch the following videos afterwards. Select the one you would like to work with after watching both.
- iii. Register important information and make drawings to explain the story, as stipulated in the documentary's instructions.
- iv. Prepare outline and a first draft for the scripts.
- v. Conclude work by enjoying the art work

**Steps to Prepare a Documentary**

1. Telling a story we care about, a subject that excites us
2. Research, learn everything, gather facts and search for interesting ideas
3. Create outline, how and in what order are you telling the story to intrigue audience
4. Select information, images, sketches and drawings
5. Write a script to introduce and conclude

Why, how it Happened | Japan's Geography, Geology

How Japan is Building Disaster Proof Skyscrapers

Art

Select an image from the artist Katsushika Hokusai the Great Wave of Kanagawa. Observe that the land and volcano are present.

Make your own representation using a media, colors, watercolors, collage, puntillism or pastels.
